NORTH GROVE VODKA

Whoever said vodka has no unique qualities never enjoyed the rich flavor of a quality bottling. We start by using 100% California wine that runs over our 20 plate column still. Using only our fresh Sierra Nevada mountain water, we keep our vodka unadulterated and completely free of additives and sugars so that it can be enjoyed in the manner most appreciated by its taster. Pay close attention to its cotton candy-like aromas and creamy mouth-feel before adding it to your favorite cocktail.
